<b>Description:</b>	<p>If you missed the Student Organization Orientation on 8/27, this is your chance to get the information by attending a Make-Up Session!</p> <p>Make-up orientation sessions are held throughout the fall and spring semesters and cover the same topics as the Student Organization Orientation on 8/21. Attendance by two members at any make-up session will qualify your organization to apply for funds from the IUSA Funding Board. A member cannot represent more than one organization at a time. Organizations are encouraged to send members responsible for funding, event planning, marketing, and meeting facilitation to attend the sessions.</p>
